*The Crisis Line
 saved my life...*

Warm Line specialists offer peer support for callers who need to talk. We can relate to behavioral health situations because we have been through many of the same experiences.

WARM LINE (Peer-to-Peer)
602.347.1100

CRN receives funding through contracts with the Arizona Health Care Cost Containment System (AHCCCS), the Arizona Department of Health Services, Mercy Maricopa Integrated Care (MMIC) and Health Choice Integrated Care (HCIC).

CrisisNetwork.org  

Everyone faces a
CRISIS some time.

**WHEN IT HAPPENS TO YOU,
GIVE US A CALL RIGHT AWAY.**

We're here to help. We listen. We care.

Our highly-trained crisis specialists take the time to understand what is going on and help you through your crisis.

**Our experience covers many
personal issues, including:**

- Suicidal thoughts
- Addiction/Substance abuse
- Depression
- Anxiety and/or panic attacks
- Grief
- Stress at work
- Family problems
- Bullying
- Physical and verbal abuse

Crisis affects
US ALL.

Everyone has problems that can seem overwhelming. Whatever you're going through, we're here to help.

We're trained to listen and help you get through whatever problems you face. We can send help to meet you where you are. We can get you to a safe place. We can connect you to community resources.

Whether you're a teen, an adult or are concerned about a family member or friend, we're here for you.
