Everyone faces a **CRISIS** some time.

WHEN YOU START TO FEEL OVERWHELMED, GIVE US A CALL RIGHT AWAY

We're here to help. We listen. We care. Our highly-trained crisis specialists take the time to understand what is going on and help you through your crisis.

Every crisis is unique:

- Do you ever think about hurting yourself or others?
- Are you thinking about using drugs or alcohol?
- Are you having trouble with a boyfriend or girlfriend?
- Is there a problem with your family?
- Are you spending less time with friends?
- Have you lost focus on your schoolwork?
- Are you sleeping too much?
- Are you obsessed with social media?

The first thing we do **IS LISTEN...**

We never judge you or your concerns. Everyone has problems that can seem overwhelming. Whatever you're going through, we're here to help.

We can send help to meet you where you are. We can get you to a safe place. We can connect you to community resources.

Whether you need help for yourself, or are concerned about a friend or family member, we're here for you.
